

Recycled Poppies

Try these easy to make poppies using recycled materials you probably already have at home!

You will need:

- ⇒ An empty egg carton
- ⇒ Scissors
- ⇒ Glue
- ⇒ Paint, food colouring, markers or crayons to make the poppies red
- ⇒ Something small & black for the middle, a button, paint, bottle cap, marker, cardboard etc.

Instructions:

1. Separate and cut all cups out of the egg carton.
2. Cut 3 or 4 slim triangles to make 3 or 4 petals.
3. Shape the top of the petals by rounding off the edges.
4. Paint or colour the poppies in red.
5. Finish off your poppy with your chosen black centre.
